Post Production Guide

This section guides the customer on what to expect after the event and with the content created. Full guide will be in your contract, on booking our services.

Receiving Your Content

For customers utilising essential packages, please expect your content within 4 weeks from the date of the event.

For customers utilising deluxe and luxury packages, please expect your content within 6 weeks and 8 weeks, respectively, from the event.

Watermarking

Each video content created is watermarked with "A Film By ANU Media Productions" for branding purposes. This is removable on request.

Editing Revisions

Each video content created can be subjected to two revisions from the first edit. Any further edits, whereby new revisions are requested will incur extra costs.

Further Information

Please enquire via email, anumediaproductions@gmail.com for any further information.
